

CURRICULUM VITAE

NAME and SURNAME: GIOVANNI DI LIBERTO

PhD in Chemical Science Place: Università degli Studi di Milano

Current working position: Research Associate (RTDa) at dipartimento di Scienza dei Materiali, Università degli Studi di Milano Bicocca.

Working experience: Post-Doc at Prof. Pacchioni (12/2018-11/2020) research group, Università degli Studi di Milano Bicocca. HPC-Europa 3 “HPC17W04A2” project visiting scientist at Universitat de Barcelona, Prof. Francesc Illas (09/2019-11/2019) group. PhD student at Prof. Michele Ceotto group, funded by the ERC Consolidator Grant “SEMICOMPLEX” project (2015-2018), Università degli Studi di Milano.

Scientific production, workshops, awards, and teaching

Scientific production: Author of 31 publications. Author of 21 posters/talk at international workshops. Presenter of 10 oral contributions (2 invited) and 7 posters at national and international workshops.

Bibliometrics records: Citations: 455 (Scopus), 535 (Google Scholar). Averaged citations per article: 14.7 (Scopus), 17.3 (Google Scholar). H index: 14.

Peer review projects: PI of two ISCRAB projects, for a total amount of $\sim 3 \cdot 10^6$ CPU hours (2019-2020). Winner of “HPC17W04A2” HPC Europa3 project (2019).

Awards: **Winner** of Premio “Del Re” from Division of Theoretical and Computational Chemistry of the Italian Society of Chemistry (SCI) (2020). **First classification** “Giovani Talenti” award, from Università degli Studi di Milano Bicocca endorsed by Accademia Nazionale dei Lincei (5000.00 Euro) (2019). **Winner** of “Young Physico-Chemist award” from Physical-Chemistry Division of the Italian Society of Chemistry (SCI) (2018). **Winner** of poster prize at “Path Integral School”, (200.00 Euro) (2016). **Winner** of degree award “Italo Martina” sponsored by Rotary Club Milano Duomo of Rotary International, (1250.00) Euro (2014).

Teaching: Supervisor of Bachelor students (1), co-supervisor of Bachelor students (3) and assistant for the supervision of a PhD student. Lecturer of “Laboratorio di Chimica Generale”, a class in the “Scienze e Tecnologie Chimiche” bachelor degree, Università degli Studi di Milano Bicocca. I have been working as assistant in labs, and tutor for students between 2015 and 2019, total 42h. In 2019 I had a seminar at Universitat de Barcelona.
