

Valeria Fedeli

 Valeria.Fedeli@polimi.it

Department of Architecture and Urban Studies, Politecnico di Milano, Via Bnardi 3, 20133 Milano

ACADEMIC CAREER_ Since 2015 she is Associate Professor of Planning and Urban Policies and, since 2017, vice-coordinator of the PhD Program in Urban Planning, Design and Policy at Politecnico di Milano; she teaches at both Bachelor and Master Level (Urban and Regional Analysis; Strategic Planning and Urban Policies) and at PhD level, being responsible of the Methodology of Research module for several years and tutor of several PhD Candidates. She is currently co-founder and member of the RUF Lab laboratory (Research on Urban Future), and of the Interdisciplinary Nucleum Data@ter, founded under the Rectorate initiative in order to promote interdepartmental research teams and dedicated to explore from different disciplinary perspectives complex social challenges. She has been also responsible (2015-2018 for the Jean Monnet Course Eu Regional and Urban Policy at Master Level. She has obtained her national Abilitation to full professor in 2018. She has been visiting scholar at Sciences-Po, with a post-doc position in 2004 and at Université Paris-Est (UPE) in 2014, as visiting researcher and Post-Doc Researcher in 2004 at Sciences Po Paris.

International and national Scientific networks_ Since 2017 she is President of the European Urban Research Association, where she has been a Member since 2010 and founder of the Working Group “National Urban policies” and since 2015 member of the Scientific committee of Urban@it, Centro nazionale di ricerche per le politiche urbane. Among her most recent roles; she has been invited member (2016-2019) of the Working Group Planning and Governing the Metropolis, funded by ARL - Academy for Spatial Research and Planning (ARL®), Hannover, Germany; international member of the Scientific Committee of Urban Futures, PRES, Pôle de Recherche et d'Enseignement Supérieur (PRES) Université Paris-Est (UPE); member of the AESOP Excellence in Teaching Award Jury; member of the Scientific Committee of the National Phd Thesis prize Giovanni Ferraro (since 2020). As responsible of several Erasmus Exchange contracts, she has been involved in teaching in several European universities and developing collaborations with many of them, with the purpose of generating innovation in teaching. She has also recently promoted partnership agreements with three Brazilian Universities in the field of post-doctoral research on strategic planning and social justice.

Her research interests focus upon: exploring processes of regional urbanisation, with a focus on the emergence of new urban questions; strategic planning and innovation in national urban policies, with a focus on the role played by European Union in the framework of cohesion policies (regional and urban policy); intermunicipal cooperation, metropolitan, regional and transcalar governance and institutional design. On these topics, she has coedited 12 books and edited 4 ones, among which five with international publishers

Education and Training. She was trained as an Architect (1996, Politecnico di Milano), with Specialisation Degree in Planning (2002, Politecnico di Milano); Her Phd Thesis (Luav, DrPPt in Planning and territorial policies, 2001), was granted the 1st edition of the Giovanni Ferraro Prize for the best thesis in the field of urban studies in Italy.

Research Projects. She is currently leading several research projects; the ESPON Mista Targeted Research Project, dedicated to explore the impact of processes of deindustrialization in metropolitan cities in Europe (2019-2020); co-leading the POLISOCIAL award Safari Njema, dedicated to explore the role of informal mobility in developing countries, in particular in the Maputo Metropolitan Area (in collaboration, with Mondlane University in Maputo) (2019-2020).
