Teaching Experience

Lectures:

- Academic year 2014-2015 Lectures in Econometrics, PhD course, University of Ferrara and University of Salento.
- From November 2008 - Lecturing in:
- Econometrics;
 - Advanced Economics;
 - Econometric Modelling.
- September 2013 Lectures in Panel Data Econometrics, postgraduate courses organized by ADEIMF (Associazione Docenti Economia Intermediari Mercati Finanziari).
- March 2008 - March 2009 Professor (University of Salento - Lecce), one-year contract (“Rientro dei cervelli” - Ministero dell’Istruzione, Università e Ricerca). Lecturer in
- Econometrics.
- September 2005, 2006, 2007, 2008, 2009 Lectures in: Econometrics, postgraduate courses organized by CIDE (Centro Interuniversitario di Econometria).
- January 2004 - January 2008 Professor (University of Salento - Lecce), four-years contract (“Rientro dei cervelli” - Ministero dell’Istruzione, Università e Ricerca). Lecturer in:
- Econometrics;
 - Applied Economics;
 - Growth and Development Economics.
- Undergraduate and Postgraduate thesis supervisor (University of Lecce): Applied Econometrics, Efficiency and Productivity Analysis, Growth Theory, Business Cycle Theory.
- March 2003 - May 2003 Professore a Contratto in Econometrics, University of Lecce.
- November 2002 Tutorial WinEcon, Department of Economics, University of Glasgow .

March 2002 - May 2002	Professore a Contratto in Econometrics, University of Lecce.
March 2001 - January 2003	Seminars in Contemporary Economic Issues, Division of Economics and Enterprise, Glasgow Caledonian University. Seminars in Foundation Economics, Division of Economics and Enterprise, Glasgow Caledonian University. Lectures in Econometrics, Division of Economics and Enterprise, Glasgow Caledonian University.
January 2000 - February 2001	Lectures in Quantitative Methods in Economics, Division of Economics and Enterprise, Glasgow Caledonian University.
October - December 2000	Tutorials in Mathematics (Level 1 and 2) and Economics (Level 1); Department of Economics, University of Edinburgh.
July 1999 - 2003	Lectures in Statistics, Econometrics, Microeconomics and Macroeconomics (with support of long distance technology), Masters Degree, L.o.L. London-Milan.
February 2000	Lectures in Mathematics and Econometrics - Master in “Programmazione e Valutazione di Programmi di Investimento” PIC URBAN ITALIA, University of Foggia (Italy).

PhD thesis supervisor (finished projects):

- PhD Thesis in macroeconometrics regarding an empirical analysis of monetary policy during the Great Depression, using structural VAR model (Vector Autoregressive Models) and DSGE models (dynamic stochastic general equilibrium, "DSGE"); title "The economic turmoil of the 1930s: an historical and empirical evidence of the Italian Great Depression", student Emilia Pezzolla.
- PhD Thesis in efficiency and productivity analysis using nonparametric econometric methodology; title "Non parametric analysis in conditional frontier models"; student Pierluigi Toma.
- PhD Thesis in advanced panel data econometrics to model consumption choice; title "Panel Data Models with Spatial Effects"; student Giada Andrea Prete.

PhD thesis supervisor (ongoing projects):

- PhD Thesis in advanced panel data econometrics to model migration flows; student Fatima Bouhsis.

External examiner for PhD candidates:

Department of Economics and Finance of the University of Rome – Tor Vergata (Feb 2021: Enrico Lazzaretto);
University of Bologna (June 2014: Matteo Falagiarda);
Department of Statistics, University Carlos III de Madrid (October 2014: Jorge Eduardo Galan Camacho).

Supervision:

External scientific tutor for training programme in Bank of Italy, students: Stefano Quarta and Giada Andrea Prete;
Master thesis in econometrics;
Undergraduate thesis in econometrics.

Research Projects

- September 2019 - September 2022 - Local Scientific Coordinator of the Ministry of Education project PRIN (Progetti di Ricerca di Rilevante Interesse Nazionale) , “Econometric Methods and Models for the analysis of Big Data: improving forecasting ability by understanding and modelling complexity”, financed by MIUR (Ministero dell’Istruzione dell’Università e della Ricerca).
- May 2020 - May 2022 Scientific Coordinator of the Ministry of Education project PON, BANDO “AIM” : ATTRACTION AND INTERNATIONAL MOBILITY, financed by MIUR (Ministero dell’Istruzione dell’Università e della Ricerca).
- September 2020 - September 2022 - Scientific Coordinator of *POR Puglia FESR FSE 2014-2020 - Asse X - Azione 10.4*. Title: “ANNA - Analysis for iNNovation in Apulia”, financed by Regione Puglia.
- May 2018 - October 2019 Scientific Coordinator of the Ministry of Education project “Educo - Efficienza della Didattica delle Università Italiane: approccio multidimensionale Condizionato” (*Educo - Efficiency of Teaching in Italian Universities: A Conditional Nonparametric Frontier Approach*) financed within the frame “III Concorso pubblico di idee di ricerca”.
- October 2013 - July 2014 Scientific Coordinator of the Ministry of Education projects “Messaggeri della Conoscenza”:
- ID 220, professor Athanassios Stengos, “University of Guelph”, (Canada); project title: “Topics in Empirical Growth with an Emphasis on Human Capital”, October 2013.
- ID 241, professor Léopold Simar, “Université Catholique de Louvain” (Louvain-la-Neuve, Belgium); project title: “Introduction to Nonparametric Statistics and Econometrics and to Bootstrap Methods”-
- July 2009 - July 2014 “Spatial Spillovers and Productivity in Manufacturing French Industries”, funded by the *UMR INRA-ENESAD CESAER* (France).

January 2011 - December 2011	“Return to Education and Income Inequality in Europe and the US”, funded by the <i>European Union</i> .
July - August 2010	“Misurare l’Efficienza Sanitaria”, funded by the <i>Regione Puglia</i> (Italy). Coordinatore Prof. V. Peragine, Università di Bari.
March 2008	“Education System in Puglia Region: Institutions and Performance”. Research project funded by the <i>A.R.T.I. Agenzia Regionale per la Tecnologia e l’Innovazione</i> .
October 2007 - October 2009	“Local development, geographical mobility and human capital”, funded by the <i>Ministero dell’Istruzione, Università e Ricerca</i> (Italy). Coordinator: R. Artoni, Bocconi University.
October 2007 - October 2008	“Italo-Albanian Centre for Economic and Social Research”, funded by the <i>European Union and Regione Puglia</i> (Italy). Coordinator: Prof. G. Ferri, University of Bari.
October 2007 - October 2008	“Income Distribution and Poverty Analysis in Puglia Region”, funded by the <i>Regione Puglia</i> (Italy). Coordinator: Prof. V. Peragine, University of Bari.
January 2004 - January 2006	“Globalization, demographic dynamics and fiscal Systems”, funded by the <i>Ministero dell’Istruzione, Università e Ricerca</i> (Italy). Coordinator: R. Artoni, Bocconi University.
January 2004 - January 2006	“System spillovers on the competitiveness of Italian economy: quantitative analysis for sectoral policies”, funded by the <i>Ministero dell’Istruzione, Università e Ricerca</i>). Coordinator: G. Cella, University of Napoli.
January 2002 - January 2003	“Empirical analysis on micro-panel data”, funded by <i>University of Glasgow</i> , U.K..
January 2000 - January 2001	“Research on Knowledge Economy”, funded by <i>Scottish Council</i> , U.K..
