Reviewer of scientific papers for major international journals (Nature, Science, etc.) and scientific projects for international agencies (NSF, Leakey Foundation, MIUR PRIN)

Supervisor of 8 PhD thesis research in Anthropological Sciences, University of Florence.

MAIN RESEARCH

Systematics and phylogeny of South Africans Pleistocene hominins

Anthropological characterization of prehistoric and protohistoric Italian populations

Collaborations with institutions in Germany, France, Great Britain, USA, Spain, South Africa.

RESEARCH GRANTS OBTAINED BY AI, YEAR, TITLE, LENGTHS, POSITION, AMOUNT IN EURO.

Italian Ministry of Education. PRIN 2015 - KARST (Knowing Altamura thRough Science& Technology). Months 36. Head Research Unit, Florence. 86.000

Italian Ministry of Foreign Affairs. Executive programme of scientific and technological co-operation between Italy and South Africa 2001 - 2004. "Conoscenza e valorizzazione del patrimonio paleo-antropologico Sudafricano". Months 36. PI. 3.000

Italian Ministry of Foreign Affairs. Executive programme of scientific and technological co-operation between Italy and South Africa 2008 - 2010. "Fossil hominid remains from the Drimolen site: analysis and interpretation". Months 36. PI. 3.000

Italian Ministry of Foreign Affairs. Executive programme of scientific and technological co-operation between Italy and South Africa 2011 - 2013. "Applications of X-rays synchrotron microtomography for non-destructive analysis of paleontological specimens". Months 36. PI. 3.000

Ford Foundation Funding Award – 2009. "Study of the new hominin specimens from Drimolen (South Africa)".Months 12. PI. 2.000

Programma Vigoni, Ateneo Italo Tedesco 2011. "Old fossils, new insights: Reconstructing the paleo-biology of South African fossil hominins using cutting edge imaging technology and morphological analysis". Months 24. PI. 5.000

Foundation Ente Cassa di Risparmio di Firenze - 2004-2008. "Caratterizzazione antropologica delle antiche popolazioni dell'Italia centrale". Months 60. PI. 60.000

Regione Veneto, Direzione beni Culturali, Settore Archeologia - 2008-2010. "Analisi antropologica della necropoli dell'Età del Bronzo di Arano di Cellere di Illasi (Verona)." Months 36. PI. 60.000

Italian Ministry of Foreign Affairs. Italian Archaeological Mission in South Africa. 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016. PI. Yearly. Overall 43.000 (avg.4.250 per year).

University of Florence Basic Research grants. From 2004 to 2021. PI overall 32.000 (avg. 2.000 per year).

INVITED TALKS

He has been invited to deliver talks at institutions in London, Washington, Johannesburg, Roma, Ferrara, Trento, Perugia.

BIBLIOMETRIC INDICATORS RELATED TO PUBLICATIONS AND CITATIONS.

He has published over 80 articles in scientific journals (of which more than half in journals with high IF) and monographs, and has been editor of three books.

Publications: number of entries Scopus database, number of citations, H-index
79 documents, 1652 citations, H-index 24
