

GIORGIO MONTISCI

received the M.S. degree in electronic engineering and the Ph.D. degree in electronic engineering and computer science from the University of Cagliari, Cagliari, Italy, in 1997 and 2000, respectively.

Since November 2015, he has been an Associate Professor of electromagnetic fields at the University of Cagliari, teaching courses in electromagnetics and microwave engineering. In 2021 he won a public selection for full professor of electromagnetic fields at the University of Cagliari, Italy. He has authored or coauthored more than 70 papers in international journals. His current research interests include the analysis and design of waveguide slot arrays, RFID Antennas, wearable antennas, numerical methods in electromagnetics, and microwave circuits and systems.

Prof. Montisci is an associate editor of IEEE Access, IET Microwaves, Antennas & Propagation, IET Electronics Letters, and an academic editor of the International Journal of Antennas and Propagation.

He was awarded the IEEE Access Outstanding Associate Editor of 2020.

Since 2019 he is a Senior Member of the IEEE.
