Institution: University of Rome Tor Vergata, Department of Business Engineering "Mario Lucertini", Via del Politecnico, 1, 00133 Rome, Italy

3. Supervisor activities

Thesis supervisor at University of Rome Tor Vergata, Tuscia University of Viterbo, Universitas Mercatorum of Rome and University of Rome Niccolò Cusano.

4. Research areas

Sustainable development, green economy, project financing, public-private partnership, agricultural economics, islamic finance, circular economy, corporate social responsibility, innovation, social innovation, business models, organizational models, supply chains.

5. Research activity

5.1 Research groups and projects

- Research group: *Efficiency and Productivity of Economic Systems in the Energy Field*, characterized by collaborations between University of Rome Tor Vergata, University of Siena and University of Cagliari
- Role: Member of the research group
- From - To: 01/05/2015 - Today
- Research group: *Innovative Financing Models for Sustainability in the Green Economy*, characterized by collaborations between University of Cagliari and University of Rome Tor Vergata
- Role: Member of the research group
- From - To: 01/06/2016 - Today
- Research group: *Economic Aspects of CBRNe (Chemical, Biological, Radiological, Nuclear and explosive) Events*, characterized by collaborations between University of Rome Tor Vergata and University of Cagliari
- Role: Member of the research group
- From - To: 20/12/2016- Today
- Research group: *Innovative Public-Private Partnership Models for Sustainability in the Agricultural Sector*, characterized by collaborations between University of Cagliari and Engineers' Order of Rome
- Role: Member of the research group
- From - To: 01/09/2017- Today
- Research group: *Efficiency of Knowledge Intensive Business Services*, characterized by collaborations between University of Rome Tor Vergata and University of Cagliari
- Role: Member of the research group
- From - To: 01/09/2018- Today
- Research group: *Project Financing and Eco-Efficiency Models for Investment Sustainability*, characterized by collaborations between University of Cagliari, Universitas Mercatorum of Rome and the Catholic University of the Sacred Heart of Milan
- Role: Head of the research group
- From - To: 02/2019-02/2020
- Research group: *Sustainable Organizations in Light of Agenda 2030*, characterized by collaborations between University of Cagliari, Universitas Mercatorum of Rome and University of Palermo
- Role: Co-Head of the research group
- From - To: 04/2019-04/2020
- Research group: *Design and Management of Production Systems and Supply Chains in Pandemic Era*, characterized by collaborations between University of Cagliari, Universitas Mercatorum of Rome, University of Parma and University of Naples "Federico II"
- Role: Member of the research group
- From - To: 04/2019 - Today
- Research group: *Innovative Approaches to Circularity Toward Green Transformation and Blue Growth*, characterized by collaborations between University of Cagliari, Tuscia University of Viterbo and European Commission
- Role: Member of the research group
- From - To: 16/06/2020 - Today
- Research group: *Innovative Organizational Models*, characterized by collaborations between University of Cagliari and Universitas Mercatorum of Rome

Role: Member of the research group
From - To: 16/01/2020 - Today

Research group: *Economic and Financial Models for Space Activities Management*, characterized by collaborations between University of Cagliari and Italian Space Agency

Role: Member of the research group
From - To: 20/01/2020 - Today

Research group: *Business Models and Innovation*, characterized by collaborations between University of Cagliari, Universitas Mercatorum of Rome and University of Nicosia

Role: Member of the research group
From - To: 15/05/2020 - Today

Research group: *Management Models in the Agricultural Sector*, characterized by collaborations between University of Cagliari, Tuscia University of Viterbo, University of Sassari, University of Macerata and University of Basilicata.

Role: Member of the research group
From - To: 30/06/2020 - Today

Research group: *Innovative Business Models for Sustainability*, characterized by collaborations between University of Cagliari, LUISS University of Rome, Campus Bio-Medico University of Rome and Tuscia University of Viterbo

Role: Member of the research group
From - To: 13/07/2020 - Today

Research activity: *Business performance improvement analysis. Development and dissemination of technological innovation, with distinction of the roles of public and private companies and institutions. Technology transfer and internationalization*

Role: Assistant Professor (article 24, paragraph 3-b, Law no. 240/2010)
From - To: 06/03/2021 - Today
Institution: University of Cagliari, Department of Mechanical, Chemical and Materials Engineering, Via Marengo, 2, 09123 Cagliari, Italy

Research activity: *Online collaboration and learning processes and tools for professional collaboration and learning enabled by web-based technologies (computer supported cooperative work and learning)*

Role: Assistant Professor (article 24, paragraph 3-a, Law no. 240/2010)
From - To: 05/03/2018 - 05/03/2021
Institution: Universitas Mercatorum, Faculty of Economics, Piazza Mattei, 10, 00186 Rome, Italy

Research project: *Valuation of investments and follow - up in the green production*

Role: Research Fellow (article 22, Law no. 240/2010)
From - To: 01/07/2013-30/06/2014
Institution: University of Rome Tor Vergata, Department of Business Engineering "Mario Lucertini", Via del Politecnico, 1, 00133 Rome, Italy
