Main Research Interests

Smart cities, smart communities and regions: development and planning dynamics.

Geographic Information Systems (GIS) applied to the different fields of interest of geography (environmental monitoring; cultural heritage; socio-economic phenomena, etc.).

Geography of the population (trends, mobility, migration flows etc.).

Political Geography and persuasive cartography.

Census, conservation, use of cartography of the past, as a source for geo-historical reconstructions, assessment of environmental susceptibility, perception of cultural heritage.

International cooperation in order to activate local development projects (sustainable tourism, agriculture, protection and enhancement of cultural heritage).

Design and implementation of thematic atlases.

Reconstruction of past territorial structures, aimed at enhancing the historical and cultural heritage and the landscape with a view to sustainable and lasting local development, through documentary, iconographic and cartographic sources from the past and travel literature.

Current position

Dates (from - to) March 2019 - present
Occupation held Assistant Professor in Political Geography, Methodology in Teaching Geography
Name and address of employer University of Pisa (Italy)
Department of Civilisations and Forms of Knowledge

Funding proposals financed and still in progress

Name of organization and of the project call Italian Ministry of Education, University and Research (Italy) or MIUR) - Projects of Relevant National Interest - call for tenders 2020 (Progetti di Rilevante Interesse Nazionale, bando 2020 - PRIN 2020)
Project title and responsibility EMPLACING FOOD. Narratives, policies and spaces in Italy.
Rethinking the territorial dimensions of food, in the challenges of justice, sustainability, cultural identity and local development
Member of the research group. Local Unit: University of Pisa
Final decision on funding Project awaiting evaluation

Name of organization and of the project call University of Pisa, Call for University Research Projects (Bando Progetti di Ricerca d'Ateneo – PRA) 2020-2021 Panel SH
Project title and responsibility L'impatto della quarta rivoluzione industriale tra opportunità e diseguaglianze (The impact of the fourth industrial revolution between opportunities and inequalities)
P.I. Prof. Banti Alberto Mario
Member of research group (September 1st, 2020 – present)
Final decision on funding Funded: € 49.974,30

Name of organization and of the project call Italian Ministry of Education, University and Research (Italy) or MIUR) - Projects of Relevant National Interest - call for tenders 2015 (Progetti di Rilevante Interesse Nazionale, bando 2015 - PRIN 2015)
Project title and responsibility PAST IN USE. Landscape and Intangible Values. Sustainable Uses of Historical Cultural Identity European Landscapes
ERC SH3, number 2015YR4XYX_001, P.I. M. Azzari.
Member of research group (05-02-2017 to 05-02-2020)
Depts. involved: History Archeology Geography Art and Entertainment (SAGAS), Department of Agricultural Sciences and Technologies (DAGRI), Department of Architecture (DIDA), Department of Information Engineering (DINFO), Department of Legal Studies (DSG) University of Florence
The aim of this project is to carry out and apply a methodology for the recognition of historical cultural identity landscapes – whose main values are the expressions of identity of local communities, expressed by tangible and intangible heritage – in order to define the necessary measures for their protection, for the enhancement of landscape planning activities, for the uses of the values of the past to support and maintain a sustainable local development
Final decision on funding Funded: € 300.000,00

Name of organization and of the project call	Interreg Europe
Project title and responsibility	<p>CD-ETA - Collaborative Digitization of Natural and Cultural Heritage. Member of the research group of Foundation for Research and Innovation (University of Florence), from 01-04-2016 to 28-02-2019.</p> <p>Main objective: To improve adoption of the digitization policy for natural and cultural heritage and to be prepared the implementation of best practices into the participating regions, according to their needs. The implementation of this common plan for cooperation work on interregional level will contribute for establishing of uniform standards in the mass digitization of natural and cultural heritage. Main products: Regional strategies and plans for better organization of the management and exploitation of natural and cultural heritage. It is expected that inspired by the project results, to implement a number of new initiatives in the participating regions that directly improve policy instruments, related to Growth & Jobs or ETC programmes.</p> <p>https://www.interregeurope.eu/thematicworkshopculturalheritage2018/programme/</p> <p>https://www.interregeurope.eu/thematicworkshopculturalheritage2018/thematicworkshopculturalheritage2018conclusions/</p>
Final decision on funding	<p>Funded</p> <p>https://www.interregeurope.eu/cd-eta/</p>
Name of organization and of the project call	<p>Italian Ministry of Foreign Affairs and International Cooperation and Ministry of University and Research (MAE-MIUR), 2015-2017</p> <p>State University of Yerevan – University of Firenze</p> <p>P.I. prof. M.Nucciotti</p>
Project title and responsibility	<p>“The Making of the Silk Road in Vayots Dzor”</p> <p>01-09-2015 to 28-02-2019</p> <p>Member of archeological expedition</p> <p>Documentary collection and analysis of historical and geo-cartographic sources</p> <p>Preparation of the geodatabase for spatial analysis and cartographic processing in GIS environment.</p> <p>Lecturer at the Yerevan University</p>
Final decision on funding	Funded
Name of organization and of the project call	<p>Italy-China international cooperation project</p> <p>Tuscany Region - Regional initiative projects referred to in point 4.3.3 lett. B) Axis 1, of the Integrated Plan of international activities adopted with D.C.R. n. 26 of 4/4/2012</p>
Project title and responsibility	<p>Minorities at the center: support for the associations of women of ethnic minorities in Western China/Minoranze al centro: sostegno all'associazionismo delle donne delle minoranze etniche nella Cina Occidentale</p> <p>from 01-10-2014 to 31-03-2016, Member of the project; project design; project management; qualitative field research and reporting.</p> <p>Partnership: Italy: Università di Firenze (SAGAS); Cospe O.n.g., Cooperativa sociale “Tangram” - Firenze, Italian Association of Responsible Tourism. China: Xiang Yuan You (Hunan), Museo di Jishou (Hunan).</p> <p>Main objective: promote the empowerment of ethnic minority women in the poorest areas of central-western China (provinces: Hunan, Guizhou, Sichuan, Yunnan, Gansu), helping to curb emigration to metropolitan suburbs and improve their economic and living conditions, through the development of</p>

	micro-entrepreneurship activities and to improve living conditions in rural areas at risk of emigration.
Final decision on funding	Funded € 72.800,00
Name of organization and of the project call	Ministry of Cultural Heritage and Activities and Tourism, Directorate General PABAAC and on behalf of the Italian Geographic Society.
Project title and responsibility	Terre certe. Survey on the evolutionary dynamics of the Landscape/Le Terre certe. Indagine sulle dinamiche evolutive del Paesaggio P.I. Prof. Margherita Azzari (University of Florence) June 2012 to December 2014 Member of research group Main responsibilities: design a set of indicators for the analysis of the Italian landscape, survey and retrieve documentary sources, maps, geographical and statistical data useful for the final report and cartographies; elaboration of the final report
Final decision on funding	Funded
Name of organization and of the project call	Ministry of Cultural Heritage and Activities and Tourism, Directorate General PABAAC and on behalf of the Italian Geographic Society.
Project title and responsibility	"Landscape planning: Cultural landscapes/La pianificazione paesaggistica: I paesaggi culturali" P.I. Prof. Margherita Azzari (University of Florence) From 01-06-2012 to 31-12-2014 Member of research group Main responsibilities: analysis of the modification factors of land use in the definition of perceived landscapes. Main objective of the research: recognition, identification and delineation of those cultural landscapes, whose material characteristics are also a tangible expression of the spiritual component of a local community, in order to provide a contribution to the identification of the measures necessary for their protection and enhancement in the activities of landscape planning.
Final decision on funding	Funded
Name of organization and of the project call	Foundation Ente Cassa di Risparmio of Firenze
Project title and responsibility	DeDaLo – Decisional DASHBOARD per la valutazione del consumo di suolo (Decisional DASHBOARD for the assessment of the soil consumption). March 20, 2012-December 31, 2013 Main responsibilities: project manager; design of prototype, final reporting Main objective: Creation of a prototype of a decision-making dashboard for use by public administrations, for the analysis of land consumption and the spread of low-density urban areas (urban sprawl).
Final decision on funding	Funded
Name of organization and of the project call	Chamber of Commerce of Florence and University of Florence (Dept. SAGAS) (following the Memorandum of Understanding, signed on 10 October 2012).
Project title and responsibility	"Rilevazione ed analisi dei bisogni professionali delle imprese fiorentine nell'ambito di uno studio sui desiderata delle imprese che tiene conto anche delle alte professionalità facenti capo a soggetti stranieri" (Detection and analysis of the professional needs of Florentine companies as part of a study

	on the wishes of companies that also takes into account the high professionalism of foreign subjects) October 31, 2012-December 31, 2012 Main responsibilities: Preparation of the questionnaire for surveying the professional needs of Florentine companies, with special focus on high-level skills, the foreign component and training needs. Data analysis. Final report
Final decision on funding	Funded
Name of organization and of the project call	Italian Ministry of Education, University and Research (Italy) or MIUR) - Projects of Relevant National Interest - call for tenders 2008 (Progetti di Rilevante Interesse Nazionale, bando PRIN 2008)
Project title and responsibility	Migrazioni e processi di interazione culturale. Forme di integrazione e di organizzazione territoriale in alcune realtà italiane (Migrations and processes of cultural interaction and territorial organization in some Italian realities) P.I. Prof. Carlo Brusa, Local Unit (University of Florence) Coordinator Prof. Laura Cassi. October 1st, 2010 – June 30, 2012 Main responsibilities: data collection and analysis; final report
Final decision on funding	Funded
Name of organization and of the project call	Tuscany Region POR FESR 2007-2013 Activity 1.1 action D. Regional call for proposals 2008 to support joint research projects between groups of companies and research organizations in the field of socio-economic and human sciences.
Project title and responsibility	2010-2012 Università di Firenze ArCEs - Archivi digitali della Cartografia coloniale e delle Esplorazioni. Progetto pilota per il recupero e la valorizzazione degli archivi fotografici e cartografici relativi all'attività di esplorazione nei territori delle ex-colonie italiane. Main responsibilities: Project manager; data collection and documentation; prototype design
Final decision on funding	Funded: € 96.000,00
Name of organization and of the project call	Tuscany Region
Project title and responsibility	Atlante dell'imprenditoria straniera in Toscana/ Atlas of foreign entrepreneurship in Tuscany (2009-2011) P.I. M. Azzari (University of Florence) Partnership: Tuscany Region, Prefettura di Firenze, Chamber of Commerce, ARPAT, Confesercenti Firenze, INAIL. Main responsibilities: geodata collection and analysis; mapping
Final decision on funding	Funded: € 50.000
Name of organization and of the project call	Confesercenti Firenze
Project title and responsibility	2008-2009 Research "Nuove Professioni nella Provincia di Firenze. Innovazione, creatività e nuove imprenditorialità (New Professions in the Province of Florence. Innovation, creativity and new entrepreneurship)" P.I. for the University of Florence

Public presentation: February 23, 2009

Final decision on funding: Funded

Name of organization and of the project call: Italian Ministry of Education, University and Research (Italy) or MIUR) - Projects of Relevant National Interest - call for tenders 2006 (Progetti di Rilevante Interesse Nazionale, bando PRIN 2006) DM n. 582/2006 March 24 2006

Project title and responsibility: Internet e scuola: problematiche di accessibilità, politica delle uguaglianze e gestione dell'informazione
P.I. A. Calvani, University of Firenze

Final decision on funding: Funded

National scientific qualification as Associate Professor

Date: July 2017

Title of qualification awarded: National scientific qualification as Associate professor for the Scientific Sector 11/B1 Geography

Education

Date: June 20, 2014

Title of qualification: PhD in Historical Geography (11/B, SSD: MGGR-01)
Dissertation title: Investigation of landscape dynamics. Geo-historical analysis through evaluation indicators applied to a Tuscan case study.

Institution: University of Cassino and Southern Lazio

EQF: Level 8

Date: May 31, 2008

Title of qualification: PhD in Telematics and the Information Society (<http://tsi.det.unifi.it/manifesto.html>)
Dissertation title: A model for skills assessment in evaluating the reliability of scientific information on the Internet.

Institution: University of Florence (Dept. of Electronics and Telecommunications, Dept. of Systems and Computer Science, Dept. of Political Sciences, Dept. of Economic Sciences), University of Siena (Dept. of Information Engineering, Dept. of Communication Sciences, Dept. of Philosophy and Social Studies), University of Perugia (Dept. of Electronic and Information Engineering).

EQF: Level 8

Date: December 20, 2002

Title of qualification: 1st level Master Degree "Progettazione e Gestione della Formazione in Rete/e-learning Management"

Institution: University of Florence

EQF: Level 7

Date: April 17, 2000

Title of qualification: Degree in Humanities

Institution: University of Florence

EQF Level 7

Date July 1993

Title of qualification Classical baccalaureate

Institution Ginnasio Liceo "G.Cotta", Legnago (VR)

EQF Level 4

Research Contracts and Grants

Dates (from - to) 01/07/2018 – 30/06/2019

Occupation held Research fellow. Information system to support sustainable mobility

Name and address of employer Dept. Storia Archeologia Geografia Arte Spettacolo (SAGAS), University of Florence, Via San Gallo, 10 Firenze, Italy

Dates (from - to) 01/04/2016-31/03/2018

Occupation held Research fellow. Governing the smart city: a governance-centred approach to smart urbanism. Analysis of the smart tourism domain. Nell'ambito del progetto: Governing the smart city: a governance-centred approach to Smart urbanism – GHOST (Project code: RBS114FDPF; CUP Code: F22I15000070008) supported by the MIUR (Italian Ministry of Education, Universities and Research) and financed with the SIR (Scientific Independence of young Researchers) programme.

Name and address of employer DICAAR-University of Cagliari, via Marengo 3, 09123 Cagliari (Italy)

Dates (from - to) 01/10/2014 – 30/09/2015

Occupation held Research fellow. Territorialization processes of the foreign population from countries with strong migratory pressure in Tuscany.

The research is part of a more complex Italy-China international cooperation project, "Minorities at the center", in partnership with COSPE Onlus - Cooperation for the development of Emerging Countries and with some Chinese associations, with the general objective of promoting empowerment of women from ethnic minorities in the poorest areas of central-western China, helping to curb emigration to metropolitan suburbs and to improve their economic and living conditions, through the development of micro-entrepreneurship activities and to improve life in rural areas at risk of emigration.

Name and address of employer Dept. Storia Archeologia Geografia Arte Spettacolo (SAGAS), University of Florence, Via San Gallo, 10 Firenze, Italy

Dates (from - to) November 1st, 2010-October 31st 2012

Occupation held Post-doc Fellowship. WetTus - Atlas of the wetlands of Tuscany. Project financed with P.O.R. Tuscany Region Objective 2 Axis IV Human Capital, (Decree 5472 of 18 November 2008, Public call for the funding of research contracts under the Tuscany P.O.R. Regional competitiveness and employment 2007-2013); b) Exploration and use of the terrestrial environment (excluding research on pollution, improvement of soils and land use and fisheries), geology and geotechnology.

The project aimed at the creation of a geodatabase of territorial transformations, for the historical reconstruction of evolution of coastal and inland wetlands in Tuscany, integrating multiple sources of knowledge. The wetlands, once economically marginal and often unhealthy, are unanimously

considered a resource, both in terms of biodiversity and from a strictly economic point of view, as places capable of attracting conscious and sustainable tourism.

Name and address of employer University of Florence, Faculty of Humanities, Via San Gallo 10, Florence (Italy)

Dates (from - to) 01/03/2006 - 28/02/2009

Occupation held Research fellow. Digital library for the history of exploration and cartography. "Cultures and civilizations of the Mediterranean" (Project coordinated by the International Geographic Union)

Name and address of employer Dept. Storia Archeologia Geografia Arte Spettacolo (SAGAS), University of Florence, Via San Gallo, 10 Firenze, Italy

Dates (from - to) 01/03/2005 - 28/02/2006

Occupation held Research fellow. Methodologies and applications of e-learning and knowledge management in civil and environmental engineering.

Name and address of employer Dept. Civil Engineering, University of Florence, Via di Santa Marta 3, Firenze

Dates (from - to) 01/03/2004 - 28/02/2005

Occupation held Information system and innovative methodologies for the training of technical-administrative staff of the University of Florence.

Name and address of employer Dept. Electronics and telecommunications, University of Florence, Via di Santa Marta 3, Firenze

Other Scientific Research

Dates (from - to) May 2015 - present

Occupation held Member of the research group of the "Advanced GIS Joint Laboratory" - AGJL. Topic: geospatial applications for training, school, civil protection, tourism and cultural heritage.

Name and address of employer SAGAS Department (University of Florence) and ESRI Italia S.p.a.

Dates (from - to) June 2013 – May 2015

Occupation held Scientific and technical adviser to Observatory Smart Cities of the Società Geografica Italiana (Italian Geographical Society), in cooperation with Roma Capitale and Zètema.
P.I.: Prof. Luigi Mundula

Name and address of employer Osservatorio Smart Cities (Observatory Smart Cities) c/o Società Geografica Italiana (Italian Geographic Society) - Palazzetto Mattei in Villa Celimontana - via della Navicella, 12 – 00184 Roma

Dates (from - to) June 1st, 2014 - June 1st, 2015

Occupation held Participation in the activities of the research group in charge of the report "Scenari Italiani 2014. Annual report of the Italian Geographic Society. The territorial reorganization of the State", Rome 2015. ISBN: 8888692932. Scientific Committee: M. Azzari, C. Cerreti, S. Conti, E. Mazzetti, F. Salvatori Editors: F. Dini and S. Zilli. Responsibilities: design and realization of the maps

Name and address of employer Società Geografica Italiana (Italian Geographic Society) Palazzetto Mattei in Villa Celimontana - via della Navicella, 12 – 00184 Roma

Dates (from - to) September 2011-July 2012

Occupation held Curator of the exhibition Foreign Entrepreneurship in Tuscany, 7th Forum – Travel in the regions of Italy: Tuscany, held in Rome on 7-8 July 2012

Name and address of employer Italian Geographic Society Palazzetto Mattei in Villa Celimontana - via della Navicella, 12 – 00184 Roma

Dates (from - to) October 19, 2010-December 2017

Occupation held Member of the joint Laboratory Itaca-M, as contact person for maps. Partners: Google Inc. (Global Base Srl - Google Enterprise Partner) and University of Florence (CSIAF - IT and Information Services Center of the Florentine University and LabGeo - Laboratory of Applied Geography). Purpose: to respond to the needs expressed in the Memorandum of Understanding between the Presidency of the Council of Ministers - PA Digitization Department and GOOGLE Inc., combining technical and scientific skills in the areas of Search and Maps. In particular, the purposes are the sharing of skills and tools for geoinformation and the implementation of tools for accessibility to geographic data focusing on the functions of the Public Administrations, the management of the territory, the enhancement of cultural heritage and to support entrepreneurial strategies.

Name and address of employer University of Florence, Piazza San Marco, 4 Florence (Italy)

Advisory Editorial Activity and Scientific membership

Dates (from - to) November 2013 – present
Co-opted member, then elected, of the Executive Committee of the Italian Association of Cartography <https://www.aic-cartografia.it/consiglio-direttivo/>

Dates (from - to) 2016 – present
Member of the Editorial Board of the Bollettino dell'Associazione Italiana di Cartografia ISSN 0044-9733 (print) ISSN 2282-572X (online).

Dates (from - to) April 2019 – present
Chair of the Scientific Committee of ASITA - Italian Federation of Scientific Associations for Territorial and Environmental Information (<https://www.asita.it/federazione/cariche-sociali>)

Dates (from - to) 2018 – present
Member of the Editorial Board of the Bollettino della Società Geografica Italiana PRINT-ISSN: 1121-7820, (<https://riviste.fupress.net/index.php/bsgi/index>)

Dates (from - to) September 2017 – present
Member of the Executive Committee of the AIIG - Italian Association of Geography Teachers - Tuscany Section.

Dates (from - to) July 2019 – present
Member of the Assembly of Adherents of the Geo-Cartographic Study and Documentation Center (GeCo) of the Department of Humanities of the University of Trento.

Dates (from - to) January 2009 – present
Member of the AGEI working group "Geography of the Information Society" <https://www.ageiweb.it/gruppi-di-lavoro/geografia-dellinnovazione-e-dellinformazione/>

Dates (from - to) July 2019 – present

Regional Studies Association member (Membership Number 19222)

Dates (from - to) 2004-2005
Managing Editor of Je-LKS – Journal of e-Learning and Knowledge Society

Didactic Activities

Dates (from - to) A.Y. 2020-2021
Teaching Methods in Geography Education (36h)
University of Pisa, Dept. Civilisations and Form of Knowledge (CFS), Degree programme in Primary Education
Professor

Dates (from - to) A.Y. 2020-2021
Laboratory of Teaching Methods in Geography Education (24h)
University of Pisa, Dept. CFS, Degree programme in Primary Education
Professor

Dates (from - to) A.Y. 2020-2021; A.Y. 2019-2020; A.Y. 2018-2019
Political Geography (36h)
University of Pisa, Dept. CFS, Degree programme in History
Professor

Dates (from - to) A.Y. 2019-2020
Urban and Regional Geography (36h)
University of Pisa, Dept. CFS
Degree programme in Communication Disciplines – DISCO
Professor

Dates (from - to) A.Y. 2017-2018
Geography with Laboratory of Geography (36h)
University of Firenze, Dept. SCIFOPSI, Degree programme in Primary Education
Adjunct Professor

Dates (from - to) A.Ys. 2019-2020; 2018-2019; 2017-2018; 2016-2017; 2015-16
Laboratory of Digital Culture for Literary Linguistic Studies (30h)
Degree programme in Languages, Literature and Intercultural Studies,
University of Florence
Adjunct Professor

Dates (from – to) A.Y. 2018-19
Workshop “Digital Transformation. New Technologies and Sustainable goals”.
University of Florence and COSPE O.N.G. (12h)
Adjunct Professor

Dates (from – to) December 2017-February 2018
Workshop on Multiculturalism (20h)
Higher Technical Institute, ITS "Mark & Tech" - new technologies for marketing and tourist hospitality

Dates (from – to) December 2016-April 2017
The restoration projects. Geographic Information Systems (12h)

Higher Technical Institute, ITS "Recovery and enhancement of cultural heritage - RE-ART"

- Dates (from – to) 30th September 2016
Workshop: GIS and ARCHAEOLOGICAL MAPPING (6h)
Yerevan State University Chair of Culturology, Yerevan,
With M. Azzari
- Dates (from – to) A.Y. 2016-17
Computer Laboratory (30h)
Italian University Line, Degree course in Methods and techniques of educational interactions, (MIUR accredited with D.M. 02/12/2005, Indire and the University of Florence).
Adjunct Professor
- Dates (from – to) A.Ys. 2016-17, 2015-16, 2014-15
GIS for Cultural and Environmental Heritage (18h).
II level University Master in Geographic Information Systems for territorial monitoring and management
University of Florence, Depts. SAGAS, DINFO, DICEA, DST, GESAAF, DIDA, in collaboration with the Military Geographic Institute (IGMI).
Adjunct Professor
- Dates (from – to) A.Ys. 2009-2010; 2010-2011; 2011-2012; 2012-2013; 2013-2014; 2014-2015
Computer Laboratory (30h)
Dept. Languages, Literatures and Intercultural Studies, University of Florence
Adjunct Professor
- Dates (from – to) A.Ys. 2014-15; 2015-2016
Tutor of the Computer Laboratory (30h)
Italian University Line, Degree course in Methods and techniques of educational interactions, (MIUR accredited with D.M. 02/12/2005, Indire and the University of Florence).
Professor Andreas Formiconi
- Dates (from – to) March 2012-March 2013
University of Florence (Funding: Ente Cassa di Risparmio Foundation)
Project: Learning500. Didactics for a New World. In the year of the 500th anniversary of Amerigo Vespucci, an opportunity for meeting between schools and strong entrepreneurial realities located in the regional territory and active on the global market is created with an intervention aimed at upper secondary schools that emphasizes the identification and acquisition / enhancement of skills related to data geolocation (GIS, LI, BI, DSS, ...) through laboratory activities, training and orientation seminars and internships according to the methodologies of learning by doing.
- Dates (from – to) April-June 2010
E-Form S.c.r.l. – Italian Geographical Society
Professor at the course: GIS for cultural and environmental heritage.

Honours and Awards

Date	October 15, 2019
Title of qualification awarded	"Florence Ambassador 2019" for the contribution to the organization of the 30th ICC - International Cartographic Conference 2021
Organization	FALP Florence Academic Leader Program (The program's aim is to involve eminent academics in becoming "ambassadors" of Florence, nominating the city as destination for international scientific meetings, conferences and corporate events). Florence, Salone dei Cinquecento in Palazzo Vecchio

National and International Conferences and Exhibition

- Date **March 2019-present**
Member of the Local Organizing Committee of Florence ICC2021, International Cartographic Conference Florence 14-18 December 2021 (icc2021.net) and Editor of the Proceedings
- Date **2019-present**
Chair of the ASITA (Italian Federation of Scientific Associations for Territorial and Environmental Information) Scientific Committee, responsible for organizing the annual conference and editing the proceedings.
- Date **22-23 April 2021 Madrid (Spain)**
"Tell your Story. Digital Transformation for Sustainable Development"
International Conference of EUROGEO 2021 "Sustainable Development Goals for all". Session: Professional Challenges in Digital – virtual conference
- Date **23-25 September, 2020 University of Salerno - Fisciano (SA), Italy**
6th Italian Conference on ICT for Smart Cities and Communities | Virtual Conference
1) Paolo Nesi, Irene Paoli, Michela Paolucci and Paola Zamperlin, Cities facing environmental issues: the Snap4city approach, Session AI & Big Data for Smart Cities
2) Michela Lazzeroni and Paola Zamperlin, Industry 4.0 technologies and smart dynamics in the Italian urban system, Session e-Government & e-inclusion
(<http://icities2020.unisa.it/index.html#header>).
- Date **1-4 July 2020, Cagliari (Italy)**
20th International Conference on Computational Science and Its Applications (ICCSA 2020).<http://www.iccsa.org/>
1) as speaker: "A big data platform for smart and sustainable cities: environmental monitoring case studies in Europe", Authors: Nesi P., Paoli I., Paolucci, M., Zamperlin P., Garau C.
2) as organizer of the Special Session: "Smart and Sustainable Island Communities" - SSIC 2020. With: Chiara Garau, (DICAAR, University of Cagliari) Anastasia Stratigea, (National Technical University of Athens) Paola Zamperlin, (University of Pisa) Francesco Scorza, (University of Basilicata).
- Date **February 21, 2020 Accademia Toscana di Scienze e Lettere "La Colombaria" Firenze (Italy)**
Margherita Azzari, Camillo Berti, Laura Stanganini, Paola Zamperlin, Paesaggi culturali e identità locale
Invited speaker at the Seminario di studi IL PAESAGGIO. Un bene culturale e una risorsa, in occasione del ventennale della Convenzione Europea del Paesaggio
- Date **11-13 November 2019, Vienna (Austria)**
LBS – 15th Conference on Location Based Services
Pierfrancesco Bellini, Paolo Nesi, Michela Paolucci, Mirco Soderi and Paola Zamperlin: Snap4city Platform: Semantic to Improve Location Based Services
- Date **December 4, 2019 Salerno (Italy), Chamber of Commerce**
Organizer and chair of session of the "Meeting sulla Cartografia in Italia. Soggetti, produzioni, organizzazione, innovazione". In preparazione della XXX International Cartographic Conference del luglio 2021 di Firenze – ICC2021
- Date **19-21 September 2019, Bergamo (Italy)**
Giornate della Geografia 2019 "NUOVE SFIDE PER L'ANALISI TERRITORIALE E IL MAPPING", organized by AGel and Università degli studi di Bergamo, with the patronage of the Sodalizi Geografici Italiani (So.Ge.I.)
Invited Discussant for the session: GEOGRAFIA COMPUTAZIONALE E GEOGRAFIA TRADIZIONALE, nella seconda giornata delle.
- Date **26-28 June 2019, Pisa (Italy)**
International Conference "Time in Space. Geohistorical Applications, Methods and Theories in GIScience
Member of the Organizing Committee. Main topics: Historical GIScience; GIScience applications for cultural heritage; Historical geography, cartography and GIScience; Spatial analysis of

historical datasets; GIScience in humanistic teaching; Space–time cartographic representation; Time and GIScience: epistemologies, theories and ontologies. (<http://timeinspace2019.cfs.unipi.it/>)

As speaker:

1) Azzari M., Berti C., Zamperlin P., PAST IN USE. A Methodology for the recognition of identity values in historical cultural landscapes

2) Azzari M., Berti C., Zamperlin P., Hidden waters. A methodology for the census of covered streams in urban areas,

Date **8-10 May 2019, Noto (SR), Italy, CUMO Centre**

Member of the Organizing Committee of the Annual conference of the Italian Association of Cartography "Rappresentare la complessità territoriale: flussi, identità, valori"

As speaker:

1) "L'evoluzione del territorio di Cecina; dalla cartografia catastale alle rappresentazioni più recenti" authors S. Pinna, M. Grava, P. Zamperlin (UniPI);

2) "La complessità della rappresentazione nel turismo culturale. I casi di studio di Cagliari e Firenze" with Chiara Garau (DICAAR – UniCA)

Date **03-07 April 2019, Washington, DC**

AAG Annual Meeting 2019

P. Zamperlin, C. Garau, M. Azzari. "(Re)Locating networks and physical boundaries: a Critical Reflection on today's Italian Governing Technology-based Urbanism"

Date **12-14 November 2019, Trieste (Italy)**

Conferenza ASITA

Pinna S., Zamperlin P., Macchi Jánica G., Grava M., Per una cartografia GIS dei soggetti giuridici religiosi nella Toscana alla metà del XIX secolo

Date **05- 07 December 2018, Gorizia (Italy)**

International Annual Conference of the Asiatic Association (Associazione per lo Studio in Italia dell'Asia Centrale e del Caucaso),

University of Trieste/Gorizia Campus, DISPES -Dipartimento di Scienze politiche e sociali SID-Corso di Laurea in Scienze Internazionali e Diplomatiche, with the patronage of AGel,

1) as co-organizer of the session "Dinamiche insediative e costruzione del paesaggio nella valla dell'Arpa (Vayotz Dzor) tra VIII e XIX secolo. Gestione e controllo del territorio sull'asse nord-sud per la Via della Seta"

2) as speaker "Il paesaggio storico armeno attraverso fonti cartografiche, documentarie e materiali. Strade, ponti e caravanserragli lungo la Via della Seta nella valla dell'Arpa (Vayotz Dzor) tra XIII e XIX secolo" Authors M. Azzari, P. Zamperlin

Date **October 24, 2018. Firenze (Italy)**

Sala Rossa Villa Ruspoli, European Project Intereg CD-ETA-Collaborative Digitization of Natural and Cultural Heritage VII Stakeholder Meeting – Best Practices and Action Plan.

Invited speaker of the best practice "The Geographical Memories project".

Date **June 20, 2018. Berlin**

Fabrik 23, Gerichtstr. 23, Hof 3, Aufgang 1

Invited speaker at the "Thematic Workshop on Cultural heritage for sustainable development in cities and regions in Europe". Interreg Europe Policy Learning Platform.

Date **5-6 October 2018, Larnaca / Cyprus**

3rd Smart-MED Conference "Featuring Territorial Intelligence of Small and Medium sized Cities and Insular Communities in the Mediterranean Scenery – Building Bridges between Local Endeavors and Global Developments",

Chiara Garau, Paola Zamperlin, Margherita Azzari and Gianluca Melis, Governing Technology-based Cultural Heritage: The Case Study of Sardinia (Italy).

Date **2-5 July 2018, Melbourne (Australia)**

18th International Conference on Computational Science and Its Applications (ICCSA 2018)

1) As organizer of the session "Is a smart city really smart? Models, solutions, proposals for an effective urban and social development". Organizer(s): Giuseppe Borruso (University of Trieste);

- Chiara Garau, Ginevra Balletto (University of Cagliari); Beniamino Murgante (University of Basilicata); Paola Zamperlin (University of Florence).
- 2) As speaker: "Smart City Governance Strategies to Better Move Towards a Smart Urbanism", Authors: Chiara Garau, Margherita Azzari, Paolo Nesi, Michela Paolucci, & Paola Zamperlin).
- Date **May 17, 2018, Rome, Italy**
Esri Italia Education Forum at the Italian Conference of Esri Italia 2018
Invited speaker at workshop "A scuola di Storymap"
- Date **8-10 May 2018, Benevento, Italy**
National Annual Conference of the Associazione Italiana di Cartografia "Cartografia e sviluppo territoriale delle specificità geografiche"
1) "Balloon Mapping nella didattica delle scienze geografiche", Authors: A. Favretto, G. Mauro, M. Azzari, P. Zamperlin;
2) "Vecchie e nuove territorialità. Il ruolo della popolazione straniera nelle aree interne toscane" autori: M. Azzari, C. Berti, P. Zamperlin.
- Date **22-25 April 2018, Carrara (MS), Italy**
Member of the Organizing Committee of the GeoFesta Toscana 2018, University of Florence with patronage of the Italian Association of Geography Teachers and Tuscany Region.
- Date **10-14 April 2018, New Orleans, Louisiana**
Poster presented at the AAG Annual Meeting - 2018, "Governing the Smart City: a governance-centred approach to Smart urbanism – GHOST", authors: P. Zamperlin, C. Garau, M. Azzari, M. Paolucci.
- Date **November 16, 2017, Roma, Villa Celimontana (Italy)**
Internationalia and Società Geografica Italiana
Invited Speaker: "Africa Smart cities: suggestions for the future". Intervento presentato all'interno della giornata "AFRICA Italia Smart Cities" (<http://www.africaitalia.it/wp-content/uploads/2017/11/Programma-16-novembre-2017-2.pdf>)
- Date **November 22, 2017, Salerno, Italy**
Poster at the ASITA Annual Conference
Berti C., Cassi L., Zamperlin P., Nomi di luogo e aree umide della Toscana GIS per l'analisi delle variazioni toponomastiche, (<http://www.asita.it/sessione-plenaria-poster/>)
- Date **10-13 October, 2017 Roma, CNR.**
XI Congresso Nazionale SISEF, LA FORESTA CHE CAMBIA, Ricerca, qualità della vita e opportunità in un paese in transizione
Bellini P, Cartei GF, Chirici G, Lucifero N, Paolinelli G, Paolucci M, Travaglini D, Zamperlin P, Azzari M, Paesaggi, valori tangibili e intangibili. Uso sostenibile dei paesaggi europei ad elevata vocazione storico-culturale.
- Date **May-June 2017, Roma-Firenze (Italy)**
Co-organizer of the "Celebrazioni per il 150° della nascita della Società Geografica Italiana" and of the scientific exhibition "Geografie di una storia, 150 anni della Società Geografica Italiana", with proff. M. Azzari, N. A. Fusco, P. Pampana, P. Zamperlin, R. Belluso, C. Berti (University of Florence and Italian Geographical Society).
- Date **22-24 March 2017, Bolzano/Bozen (Italy)**
2nd International Conference Smart and Sustainable Planning for Cities and Regions 2017
Chiara Garau, Paola Zamperlin, Margherita Azzari, Paolo Nesi, Ginevra Balletto, Michela Paolucci, The role of Km4city dashboard in urban policies: governance strategies for dynamic urban systems.
- Date **5-9 April 2017, Boston, Massachussets**
Annual Meeting of Association of American Geographers, Sessions: Symposium on Human Dynamics in Smart and Connected Communities: Smart Cities and Urban Computing.
Paola Zamperlin, Chiara Garau, Paolo Nesi, Michela Paolucci, A governance centred approach to a smart city. Data collection and analysis of tourist behaviors in two Italian case studies.
Session Description: This session will provide a forum on addressing theoretical,

- methodological, and empirical frontiers in analyzing social and urban big data with fine spatial, temporal, and thematic resolutions
- Date **14-17 March 2017, Firenze (Italy)**
 I INTERNATIONAL CONFERENCE, The landscape: dialogic paradigm between humanism and science, Centro Studi Jorge Eielson di Firenze - Cattedra di Lingue e Letterature Ispanoamericane Università di Firenze.
 Zamperlin P., Rilevamento delle Dinamiche di Sviluppo del Paesaggio Italiano. Analisi Geostorica degli Indicatori di Monitoraggio e di Valutazione nello Studio dei Rischi Paesaggistici.
- Date **7-10 June 2017, Rome (Italy)**
 XXXII Italian Geographic Congress “L’apporto della geografia tra rivoluzioni e riforme”.
 Co-organizer of the session S04 (with Margherita Azzari, Università di Firenze; Arnaldo Bibo Cecchini, Università di Sassari; Chiara Garau, Università di Cagliari) "Città intelligenti e dinamiche: dati, misure e analisi per comprendere città, territori e comportamenti umani / Smart and dynamic cities: data, indicators and analysis to understand cities, territories and human behaviors".
- Date **4-7 June 2017, Dublin (Ireland)**
 Co-organizer of the Special Session “Governing the smart city: a socio-environmental inquiry” at the RSA Annual Conference 2017 “the Great Regional Awakening: New Directions”, Dublin, Ireland (Dublin 2017 - Regional Studies Association). Scientific Committee: Federico Cugurullo (Department of Geography, Trinity College Dublin), Chiara Garau, Geneva Balletto (DICAAR, University of Cagliari), Paola Zamperlin (Applied Geography Lab, Department of SAGAS, University of Florence), <https://www.regionalstudies.org/news/ss-dublin-2017/#305>
- Date **22- 24 March 2017, Bolzano/Bozen (Italy).**
 2nd International Conference Smart and Sustainable Planning for Cities and Regions 2017, Session 4.4 STRATEGIES AND ACTIONS FOR GOOD GOVERNANCE.
 C. Garau, P. Zamperlin, M. Azzari , P. Nesi , G. Balletto , M. Paolucci "The role of Km4city dashboard in urban policies: governance strategies for dynamic urban systems"
- Date **15- 17 November 2016, Barcelona (Spain)**
 Smart city expo World Congress
 Invited speaker with Chiara Garau by the Prof. Paolo Nesi (DISIT Lab <http://www.disit.org/drupal/?q=node/5490>) per presentare gli avanzamenti del progetto SIR: “Governing the smart city: a governance-centred approach to smart urbanism (GHOST)”. (<http://www.disit.org/drupal/?q=node/6952>)
- Date **8-10 November 2016, Cagliari (Italy)**
 XX Conferenza Nazionale Asita 2016, Centro Congressi della Fiera Internazionale
 Balletto G., Berti C., Garau C., Zamperlin P., Tra natura e artificio. Cartografia storica per lo studio delle trasformazioni del paesaggio di Molentargius.
- Date **18-20 October 2016, Firenze (Italy)**
 GEOTOUR2016 Conference, International conference on Geotourism, Mining Tourism, Sustainable Development, and Environmental Protection, Aula Magna of the SAGAS Department, University of Firenze
 Balletto G., Garau C., Pinna M., Zamperlin P. (2016), The Mining Path of Santa Barbara in the Sulcis Iglesiente in Sardinia, (Italy) Between Memory and Re-Use.
- Date **12-14 October 2016, Alghero-Cagliari (Italy)**
 Co-organizer with Chiara Garau of the national conference “Dynamic City: Policies and tools for governing the future of cities and territories” within the II level University Master “Advanced methods and tools for sustainable planning” (Director: Alessandro Plaisant) and of the project “Governing the smart city: a governance-centred approach to smart urbanism”, funded by MIUR under the SIR program - Scientific Independence of young Researchers - <http://sir.miur.it/>.
- Date **June 29 - July 1, 2016, Cracow (Poland)**
 Cracow Landscape Conference 2016, Landscape as impulsion for culture: research, perception & protection

- P. Zamperlin, M. Azzari, Survey on Italian Landscape Development. Geohistorical Analysis and Evaluation and Monitoring Indicators in the Study of Landscape Risks.
- Date **11-13 May 2016, San Benedetto del Tronto (Italy)**
Annual Conference of the AIC-Associazione Italiana di Cartografia “Cartografia, Promozione Del Territorio, Smart Cities”
P. Zamperlin, C. Garau, Smart region: analisi e rappresentazione della smartness delle città metropolitane
- Date **20-21 April 2016, Roma**
Annual Conference Esri Italia 2016
P.Zamperlin, La Smart City che vorrei: tecnologie nella didattica per l’analisi e la comprensione della geografia delle città.
- Date **November 2015, University of Wenzhou (China)**
Italian-Chinese Conference, Promotion of International Educational Partnerships to Strengthen Intercultural Dialogue and Multilingualism in Schools, in Italy and China
P. Zamperlin, Chinese women’s entrepreneurship in Tuscany. Forms of business and associations.
- Date **28-30 April 2015, Salerno (Italy)**
Annual Conference of the AIC-Associazione Italiana di Cartografia “Cartografia per la conservazione, gestione e valorizzazione dei Beni culturali”
1) Zamperlin P., Indagine sulle dinamiche evolutive dei paesaggi italiani. Analisi geo-storica e indicatori di valutazione e monitoraggio per lo studio del rischio paesaggistico
2) Zamperlin P., Raccontare storie attraverso le mappe: esperienze didattiche con ArcGIS Online.
- Date **March 14, 2014, Vercelli (Italy)**
Invited speaker by proff. Maurizio Lana and Raffaella Afferni at the Study Seminary on the Geolat (Geography for Latin Literature) Project. Dept. of Humanities (DISUM), Università del Piemonte Orientale
1) Azzari M., Zamperlin P., Geographic information in historical texts and maps.
