

Curriculum Vitae Luca Zanolì

PERSONAL INFORMATION

Name Luca ZANOLI
Address Dipartimento di Medicina Clinica e Sperimentale, Nefrologia, PAD 4, Policlinico di Catania,
Via Santa Sofia 78, 95123, Catania, Italy
Telephone/Mobile +39 0953781471 /
FAX +39 0953782376
E-mail luca.zanoli@unict.it

Nationality
Date of birth
Sex
Academic Qualification MD (Medical Licence Number 12704), PhD, FASN
Assistant Professor of Nephrology (tdA)
National qualification for Associate Professor of Nephrology from Sept 2018 to Sept-2024
National qualification for Associate Professor of Internal Medicine from Oct 2018 to Oct-2024

ORCID <http://orcid.org/0000-0003-1678-3778>

MEMBERSHIP OF MEDICAL ASSOCIATIONS

- Italian Society of Nephrology (SIN, www.sin-italy.org) since 2004
- Italian Society of Internal Medicine (SIMI, www.simi.it) 2013-2020
- Italian Society of Hypertension (SIIA, www.sija.it) 2018-2020
- Artery Society (www.arterysociety.org/) since 2014
- American Society of Nephrology (www.asn-online.org) 2017-2018
- European Society of Hypertension (www.eshonline.org/) since 2017

MEMBERSHIP OF ONLUS ASSOCIATION

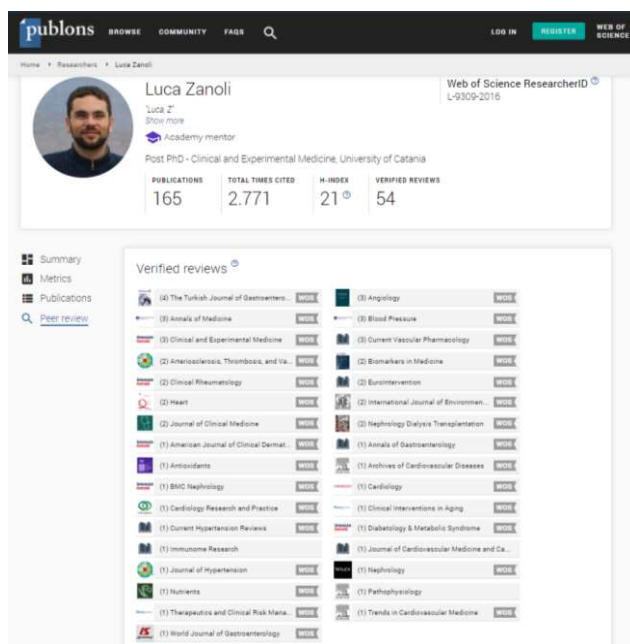

- Associazione Italiana Rene Policistico (AIRP, <https://www.renepolicistico.it/>) since 2021
- Associazione Italiana Anderson-Fabry Onlus (AIAF, <https://www.aiaf-onlus.org/>) since 2021

Experiences as Epidemiologist

- Statistical analysis of >40 articles published on high impact factor Journals.
- Epidemiologist of the “Gruppo di Studio di Ultrasonologia Nefrologica della Società Italiana di Nefrologia” from 01/12/2014 to 30/09/2017
- Participant at the Advanced Course “EWP13 Advanced Analysis of Prognosis Studies”, 31 January - 4 February 2011, Erasmus MC University Medical Center (Erasmus winter programme 2011), Rotterdam, the Netherlands.
- Participant at the Course “Epidemiologia e biostatistica applicate: la biostatistica del rischio cardiovascolare e renale”, 6-8 April 2010, Reggio Calabria, Italy.
- Participant at the Course “Medical writing in Nephrology”, 11-12 June 2009, Rome, Italy.
- Participant at the ERA-EDTA Course “Introductory Course on Epidemiology”, 5-7 October 2009, Bologna, Italy.
- Participant at the ERA-EDTA Course “Introductory Course on Epidemiology”, 6-8 September 2008, Bristol, UK.
- Participant at “Corso teorico/pratico di statistica, Epidemiologia Clinica ed Applicata: dalle misure del rischio all’analisi di sopravvivenza”, 21-23 April 2008, Reggio Calabria, Italy.

1. EDITORIAL EXPERIENCE

- Member of the Editorial board of the “Giornale Italiano di Nefrologia” 2014-2016, Italian Society of Nephrology. (<http://www.giornaleitalianodinefrologia.it/>)
- Member of the Editorial board of the “American Journal of Cardiology Research and Reviews” from 2018 (<https://escipub.com/american-journal-of-cardiology-research-and-reviews/>)
- Reviewer of “52” national meeting of the Italian Society of Nephrology”, section “Acute Kidney Injury” (2011). (www.sin-italy.org/)
- Scientific advisor on arterial stiffness and hypertension for the “Continuous Physiological and Medical Monitoring (non-invasive) workshop” - Verhaert (info@verhaert.com) (03-04 February 2011)
- Publons Academy Mentor (<https://publons.com/researcher/312303/luca-zanoli/>)
- Verified reviews for Scientific Journals: 54
<https://publons.com/researcher/312303/luca-zanoli/peer-review/>

2. MEMBER OF SCIENTIFIC COMMITTEE AT MEETINGS

1. Member of the Scientific Committee of the 52° Congresso Nazionale Società Italiana di Nefrologia (SIN); Scientific Reviewer for the section "Insufficienza Renale Acuta". Genova (Italy), 24/05/2011 to 30/05/2011
2. Member of the Scientific Committee. XVI Congresso sezione Campano Siciliana della Società Italiana di Nefrologia (SIN), Avellino (Italy), 04/05/2017 to 06/05/2017
3. Member of the Scientific Committee. 58° Congresso Nazionale della Società Italiana di Nefrologia (SIN); Scientific Reviewer of the Section "Diabete/Ipertensione arteriosa". Rimini (Italy), 06/06/2017 to 12/06/2017
4. Member of the Scientific Committee. "Corso avanzato ultrasonologia in Nefrologia". For the "Gruppo di Studio di Ultrasonologia Nefrologica" (GSUN) of the "Società Italiana di Nefrologia" (SIN) and "Società Italiana di Ultrasonologia in Medicina e Biologia" (SIUMB). Agrigento (Italy), 06/06/2017 to 08/06/2017
5. Member of the Scientific Committee. Congress "Percorsi diagnostico terapeutici in Cardionefrologia". For the Associazione Nazionale Medici Cardiologi Ospedalieri (ANMCO), Società Italiana di Nefrologia (SIN), Associazione Italiana Scompensati Cardiaci (AISC), Associazione Nazionale Emodializzati (ANED). Caltanissetta (Italy), 16/03/2018 to 16/03/2018
6. Member of the Scientific Committee. XVII Congresso Regionale della Società Italiana di Nefrologia. Noto (Italy), 09/05/2019 to 11/05/2019
7. Member of the Scientific Committee. Congresso Internazionale della Società Portuguesa de Medicina Interna (SPMI) dal titolo "XXVI Reuniao Anual NEDAI, Intersecoes em autoimunidade". Guimaraes (Portugal), 01/04/2020 to 04/04/2020.
<https://www.spmi.pt/xxvi-reuniao-anual-do-nedai/>

3. SPEAKER AT MEETINGS

1. Invited communication. 109° Congresso Nazionale (Genova, 25-28 Ottobre 2008) della Società Italiana di Medicina Interna (SIMI) 2008: "Il calibro delle Arterie Renali è un predittore indipendente della disfunzione renale e può aiutare ad identificare una Stenosi dell'Arteria Renale emodinamicamente significativa" 25/10/2008 to 28/10/2008
2. Invited communication. Congresso Regionale della Sezione Sicilia della Società Italiana di Medicina Interna (SIMI), Catania: "Mezzi di contrasto iso- e iposmolari e nefropatia da contrasto in pazienti ad alto rischio cardiovascolare" 11/11/2010 to 13/11/2010
3. Invited communication. Congresso Regionale della Sezione Sicilia della Società Italiana di Medicina Interna (SIMI), Catania: "Le formule di stima del gfr nell'anziano" 11/11/2010 to 13/11/2010
4. Invited communication and participation at the workshop CPMM (Continuous Physiological and Medical Monitoring (non invasive)) della Verhaert, Kruibeke, Belgium. Come riportato sul sito (verhaert.com), "Verhaert creates, develops and manufactures optical instruments for micro gravity research, space exploration, satellites, unmanned aerial vehicles, guidance and navigation" for the European Space Agency. This workshop was focused on the microgravity and vascular function. 03/02/2011 to 04/02/2011
5. Oral presentation of a Poster. European Crohn's and Colitis Organization 2011, Dublin, Ireland: "Arterial Stiffness In Patients With Inflammatory Bowel Diseases" 24/02/2011 to 26/02/2011

6. Invited communication. 48° Congresso della European Renal Association-European Dialysis and Transplant Association (48th ERA-EDTA), Prague, Czech Republic: "The spectral analysis of carotid distension rate is associated with the cardiovascular risk of patients with moderate renal dysfunction". This communication was focused on the neural component of the baroreflex in patients with chronic kidney disease. 23/06/2011 to 26/06/2011
7. Invited communication. Congresso Nazionale della Società Italiana di Nefrologia 2011, Genova: "Carotid function and baroreceptor sensitivity in moderate chronic kidney disease: the EPP3 Study". This communication was focused on the neural and vascular component of the baroreflex arc in patients with chronic kidney disease. 21/09/2011 to 24/09/2011
8. Invited communication. European Meeting of the ARTERY Society. Artery 2011, Paris, France: "Spectral analysis of carotid distension rate and R-R interval (spontaneous baroreflex activity) predicts coronary heart disease risk in patients with moderate chronic kidney disease and in those with normal renal function: the EPP3 Study". This communication was focused on the neural and vascular component of the baroreflex arc and the cardiovascular risk in patients with chronic kidney disease. 13/10/2011 to 15/10/2011
9. Invited communication. European meeting on Hypertension and Cardiovascular Protection 2012 della European Society of Hypertension (ESH), London, UK: "Common Carotid artery wall subclinical lesions in hypertensive subjects with renal fibromuscular dysplasia". This communication was focused on the subclinical vascular lesions of patients with fibromuscular dysplasia. 26/04/2012 to 29/04/2012
10. Invited communication. XIII Congresso della Sezione SIN Campania-Siciliana 2012, Taormina: "Common carotid artery wall subclinical lesions in hypertensive subjects with renal fibromuscular dysplasia". This communication was focused on the subclinical vascular lesions of patients with fibromuscular dysplasia. 17/05/2012 to 19/05/2012
11. Invited communication. XIII Congresso della Sezione SIN Campania-Siciliana 2012, Taormina: "Carotid function and baroreceptor sensitivity in moderate chronic kidney disease: the PPS3 study". This communication was focused on the neural and vascular component of the baroreflex arc and the cardiovascular risk in patients with chronic kidney disease. 17/05/2012 to 19/05/2012
12. Invited communication. 49° Congresso della European Renal Association-European Dialysis and Transplant Association (49th ERA-EDTA), Paris, France: "Determinants of the common carotid artery subclinical lesions in hypertensive subjects with renal fibromuscular dysplasia". This communication was focused on the subclinical vascular lesions of patients with fibromuscular dysplasia. 24/05/2012 to 27/05/2012
13. Invited communication. European Meeting of the ARTERY Society. Artery 2012, Vienna, Austria: "Normal and reference values of baroreceptor sensitivity: the PPS3 study". 18/10/2012 to 20/10/2012
14. Invited communication. European meeting on Hypertension and Cardiovascular Protection 2013 della European Society of Hypertension (ESH), Milano: "Minimal renal artery diameter and cardiovascular events in subjects with ischemic heart disease and non-significant renal artery stenosis". 14/06/2013 to 17/06/2013
15. Invited communication. European Meeting of the ARTERY Society. Artery 2013, London, UK: "Arterial stiffness is increased in inflammatory bowel disease, dependent upon inflammation and reduced by immunomodulatory drugs". In questa relazione il candidato ha discusso dell'aumento della rigidità arteriosa dipendente dall'infiammazione cronica. 19/10/2013 19/10/2013
16. Invited communication. Corso di aggiornamento "Percorsi di formazione dalla nefrologia e dialisi al trapianto", Catania 28/05/2014 to 28/05/2014
17. Invited communication. XV Congresso della Società Campano-Siciliana di Nefrologia 2015, Trapani, con la relazione dal titolo "Metformina e rene". 23/05/2015 23/05/2015
18. Invited communication. Convegno Nazionale della SIUMB 2016, Lecce: "Gli US nello studio della rigidità e delle calcificazioni vascolari" 18/03/2016 19/03/2016
19. Invited communication. Congresso "Lentini: Incontri di Medicina Interna - 6°. Updating in Medicina Interna", Lentini (SR). Title: "Prevenzione cardiovascolare secondaria e nefropatia" 25/11/2016 to 25/11/2016
20. Invited communication. Title: "La funzione barorecettoriale nei pazienti con IRC". XVI Congresso sezione Campano Siciliana della Società Italiana di Nefrologia (SIN), Avellino 05/05/2017 to 05/05/2017
21. Invited communication. Congress "Paziente anziano - tra anemia ed infezioni delle vie urinarie", Catania. Title: "Acido folico, folati e 5-MTHFR - Il momento di fare chiarezza". 07/10/2017 to 07/10/2017
22. Invited communication. Congress "Paziente anziano - tra anemia ed infezioni delle vie urinarie", Catania. Title: "Relazione tra iperomocisteinemia, danno endoteliale e ruolo dei folati: quali prospettive terapeutiche future?". 07/10/2017 to 07/10/2017
23. Invited communication. Congress "Paziente anziano - tra anemia ed infezioni delle vie urinarie", Catania. Title: "Nuove acquisizioni sul metabolismo dei folati" 07/10/2017 to 07/10/2017

24. Invited communication. IX Course "Il Paziente Congresso In Medicina Interna, alla ricerca delle correlazioni". For the "Ordine dei Medici Chirurghi e Odontoiatri di Catania". 16/03/2018 to 17/03/2018
25. Invited communication. Congress "Percorsi diagnostico terapeutici in Cardionefrologia", Caltanissetta. For the Associazione Nazionale Medici Cardiologi Ospedalieri (ANMCO), Società Italiana di Nefrologia (SIN), Associazione Italiana Scompensati Cardiaci (AISC), Associazione Nazionale Emodializzati (ANED). Title: "La stimolazione barocettoriale nei pazienti con insufficienza renale cronica". 16/03/2018 to 16/03/2018
26. Invited communication. Congress "Percorsi diagnostico terapeutici in Cardionefrologia", Caltanissetta. For the Associazione Nazionale Medici Cardiologi Ospedalieri (ANMCO), Società Italiana di Nefrologia (SIN), Associazione Italiana Scompensati Cardiaci (AISC), Associazione Nazionale Emodializzati (ANED). Title: "Valutazione barocettoriale "live" (30 min). Dimostrazione pratica". 16/03/2018 to 16/03/2018
27. Invited communication. "IX corso - Il paziente complesso in Medicina Interna, alla ricerca delle correlazioni", Catania. For the Fondazione Ordine dei Medici chirurghi e degli Odontoiatri (OMCeO) di Catania. Title: "Cuore e rene". 17/03/2018 to 17/03/2018
28. Lecture. XVII Congresso regionale della Società Italiana di Nefrologia: "SGLT2" 09/05/2019 to 11/05/2019
29. Invited communication. Congresso Regionale della Società Italiana di Medicina Interna dal titolo "Immunità, flogosi e sistema vascolare" 08/11/2019 to 09/11/2019
30. Invited communication. Bone Symposium 2019. For the Società Italiana di Medicina Interna. Osteoporosi e malattie cardiovascolari. 22/11/2019 to 23/11/2019
31. Invited communication. Congress of the University of Catania. Title: "Infiammazione e funzione vascolare" 17/01/2020 to 17/01/2020

4. PARTICIPATION IN THE ACTIVITIES OF INTERNATIONAL RESEARCH GROUPS

- From 15/5/2010 to 14/5/2012, Long-term ERA/EDTA fellowship in "Arterial stiffness, inflammation and vascular calcification in Chronic Kidney Disease" (ERALF 48-2009) in the Research Group directed by Prof. Gerard London. (<https://www.era-edta.org/>)
- From 1/4/2010 to today, participation in the activities of the Research Group directed by Prof. Stephane Laurent (2010-2018) and Prof. Pierre Boutouyrie (2019 to today), INSERM U970 (Equipe 7), AP-HP, HEGP, Paris, France.
- Coordinator of the "Arterial stiffness in IBD working group". A total of 17 researchers from 4 European Nations (Italy, France, Greece, Turkey) were involved.

5. SCIENTIFIC RESPONSIBILITY FOR RESEARCH PROJECTS APPROVED FOR FINANCING ON THE BASIS OF COMPETITIVE CALLS WITH PEER REVIEW

- Principal investigator of the project "Arterial function and structure in inflammatory bowel disease" (GR-2011-02349066), Ministry of Health, Italy (<http://www.salute.gov.it/>) From 30/11/2014-29/11/2017.

6. FELLOWSHIP

- Long-term ERA/EDTA fellowship in "Arterial stiffness, inflammation and vascular calcification in Chronic Kidney Disease" (ERALF 48-2009) from 2010 to 2012 in the Research Group directed by Prof. Gerard London. (<https://www.era-edta.org/>)
- Fellowship NIHES (International academic research institute) for participation in the Erasmus Winter Programme 2011 (EWP13 Advanced Analysis of Prognosis Studies), Erasmus University Rotterdam from 30/01/2011 to 04/02/2011

7. AWARDS

- Bursary of the Artery Society (<http://www.arterysociety.org/>)
 - 2013, to present data at the Artery Congress, London, UK, 17-19 October
 - 2012, to present data at the Artery Congress, Vienna, Austria, 18-20 October
- Accommodation grant of the European Society of Hypertension (ESH, <http://www.eshonline.org/>)
 - 2013, to present data at the ESH Congress, Milan, Italy, June 14-17.
 - 2012, to present data at the ESH Congress, London, UK, April 26-29
- Best abstracts presented by young authors at the annual congress of the European Renal Association and European Dialysis and Transplant Association (ERA-EDTA) Society (<https://www.era-edta.org/>)
 - 2012, ERA-EDTA Congress, Paris, France, May 24-27 (Abstract: "Determinants of the

common carotid artery subclinical lesions in hypertensive subjects with renal fibromuscular dysplasia")

- 2011, ERA-EDTA Congress, Prague, Czech Republic, June 23-26 (Abstract: "The spectral analysis of carotid distension rate is associated with the cardiovascular risk of patients with moderate renal dysfunction")

- 2010, ERA-EDTA Congress, Munich, Germany, June 25-28 (Abstract: "Comparison of estimating GFR formulas in elderly")

- 2008, ERA-EDTA Congress, Stockholm, Sweden, May 10-13 (Abstract: "Is calibre a new insight in renal artery stenosis?")

- Grant of the Italian Society of Nephrology (SIN) to participate at the Clinical Epidemiology Course, Bologna 5-7 October 2009. (<http://www.sin-italy.org/>)
- Grant of the Italian Society of Nephrology (SIN) to participate at the "Introductory course of clinical epidemiology" of the European Dialysis and Transplant Association (ERA-EDTA) Society, Bristol 6-8 September 2008. (<http://www.sin-italy.org/>)

8. Specific Research experience

- Principal Investigator, Progetto di Ricerca Finalizzata del Ministero della Salute dal titolo "Arterial function and structure in Inflammatory Bowel Disease." (GR-2011-02349066) from 30/11/2014, ongoing
- Research grant in "Arterial function and structure in Inflammatory Bowel Disease", A.O.U. "Policlinico-Vittorio Emanuele" di Catania from 2014, ongoing
- Research grant in "Valutazione non invasiva della morfologia e della funzione arteriosa nelle malattie internistiche", MED/09, University of Catania from 03-12-2012 to 03-12-2015
- Ph.D. in "Iipertensione arteriosa e danno d'organo correlato", MED/09, University of Catania from 02-01-2009 to 31-10-2011
- Training for the shipping of Category A, Infectious Substance affecting Humans Category B, Biological Substance; Mayo Clinic, Mayo Medical Laboratories; American Society for Clinical Laboratory Science; IATA from 01-07-2015 to 01-07-2015
- ICH Good Clinical Practice for Clinical Trial Sites from 01-10-2014 to 02-10-2014

EDUCATION AND TRAINING

Date	02 Oct. 2014
Name and type of organisation providing education and training	Quintiles Global Learning
Title of qualification	Training on the International Conference on Harmonisation of Technical Requirements for Registration of Pharmaceuticals for Human Use / Good Clinical Practice (ICH/GCP)
Date	From 03 Dec 2012 to 02 Dec 2015
Name and type of organisation providing education and training	University of Catania – P.zza dell'Università, 2 – Catania
Title of qualification awarded	Post PhD in Hypertension
Date	From 15 May 2010 to 14 May 2012
Name and type of organisation providing education and training	Long term Fellowship supported by the European Renal Association/European Dialysis and Transplant Association (ERA-EDTA) in: Arterial stiffness, inflammation and vascular calcification in Chronic Kidney Disease (ERALF 48-2009). HEGP, AP-HP, INSERM U970, Paris, France.
Title of qualification awarded	Fellow ERA-EDTA (http://www.era-edta.org/Luca_Zanoli_ERA-EDTA_fellowships.html)
Date	21 Dec 2011

Name and type of organisation providing education and training University of Catania – P.zza dell'Università, 2 – Catania

Title of qualification awarded PhD in Hypertension and organ damage

Department Internal Medicine

Date 30 Oct 2008

Name and type of organisation providing education and training University of Catania– P.zza dell'Università, 2 – Catania

Title of qualification awarded Nephrologist

Final mark 50/50 and praise

Dissertation Renal artery stenosis in a high cardiovascular risk population

Date 28 Apr 2003

Name and type of organisation providing education and training University of Catania– P.zza dell'Università, 2 – Catania

Title of qualification awarded Graduated in Medicine

Final mark 110/110

Dissertation The renal artery stenosis. Epidemiology, risk factors and clinical predictors

AREAS OF INTEREST

- Hypertension, arterial stiffness, pulse wave velocity, echotracking, endothelial function, inflammation, inflammatory bowel disease, baroreflex, heart rate variability, chronic kidney disease, renovascular disease.

MAIN CLINICAL STUDIES

- Arterial function and structure in Inflammatory Bowel Disease. Ministry of Health, Italy (GR-2011-02349066) (<http://www.salute.gov.it/>). (**Principal Investigator**)
- Credence (Canagliflozin and Renal Events in Diabetes with Established Nephropathy Clinical Evaluation) Trial. The George Institute for Global Health (www.georgeinstitute.org). (**Principal Investigator of the University of Catania**)
- REPOSI Project (Registro dei pazienti per lo studio delle polipatologie e politerapie in reparti della rete SIMI), Italian Society of Internal Medicine (SIMI) (www.simi.it). From 2014 (**Sub Investigator**)
- Endothelial progenitors cells, oxidative stress and arterial stiffness in diseases with chronic inflammation. “Finanziamento Ricerca di Ateneo” (FIR) 2014. University of Catania, Catania, Italy (www.unict.it). (**Co Investigator**)
- Arterial stiffness and inflammation in Chronic Kidney Disease. University of Catania, Catania, Italy. (**Principal Investigator**)
- Arterial stiffness and inflammation in Fabry Disease. University of Catania, Catania, Italy. From 2014 (**Principal Investigator**)
- Arterial stiffness and inflammation in Hereditary Angioedema. University of Catania, Catania, Italy. (**Principal Investigator**)
- Arterial stiffness and baroreflex: the Paris Prospective Study 3 (PPS3 study). INSERM U970, Paris, France. From 2010 (**Co Investigator**)
- RAS-CAD (Renal Artery Stenosis in Coronary Artery Disease) Study. University of Catania, Catania, Italy. From 2006 to 2017 (**Co Investigator**)
- Renal artery calibre and cardiovascular risk in patients with renal artery stenosis. University of Catania, Catania, Italy. From 2006 to 2017 (**Principal Investigator**)

TECHNICAL SKILLS AND COMPETENCES

- Excellent knowledge of Finometer device (Baroreflex function, Sympathetic and parasympathetic activity)
- Excellent knowledge of SphygmoCor device (pulse wave velocity, pulse wave analysis, central blood pressure)
- Excellent knowledge of echotracking devices (arterial function and structure, baroreflex and endothelial function)
- Excellent knowledge of FMD Studio software (flow mediated dilatation)

- Excellent knowledge of computer (Windows) and softwares (Excel, Word)
- Database administrator of the RAS-CAD study cohort (+2000 pts)
- Good knowledge of Statistical programs (SPSS v.19; NCSS 2007 & PASS 11)
