

Professor Marcin Pałys - curriculum vitae

Education and academic degrees

| | |
|------|---|
| 2005 | Degree of <i>doctor habilitatus</i> in chemical sciences, University of Warsaw (Poland) |
| 1992 | PhD in chemical sciences, University of Twente (Enschede, The Netherlands) |
| 1987 | Master degree of chemical sciences, University of Warsaw |

Academic positions:

| | |
|------------|--|
| since 2010 | Professor Extraordinarius, Faculty of Chemistry, University of Warsaw |
| 1994-2010 | Adiunkt, Faculty of Chemistry, University of Warsaw |
| 1993-1994 | Assistant, Faculty of Chemistry, University of Warsaw |
| 1988-1992 | PhD student, Faculty of Chemical Technology, University of Twente, Enschede, The Netherlands |

Scientific interests:

- Inorganic and physical chemistry, in particular, research on transport phenomena in electrochemical systems
- Application of artificial intelligence tools in chemistry

Functions served in the University of Warsaw:

| | |
|-----------|--|
| 2012-2020 | Rector of the University of Warsaw |
| 2008-2012 | Vice-Rector for Development and Financial Policy, University of Warsaw |
| 2005-2008 | Vice-Dean for Finances, Faculty of Chemistry, University of Warsaw |

Functions served outside the University:

| | |
|------------|---|
| since 2022 | Chair, Poland's Main Council on Science and Higher Education (independent, system-level advisory body to all Polish public authorities on matters related to HE and research. Members elected by institutions from Polish HE and research sector) |
| since 2022 | Member, ministerial workgroup on the development of education, higher education and research system in Poland |
| since 2020 | Member, Governing Council of the Observatory of the Magna Charta Universitatum |
| since 2020 | Chair, Working Group on European University Networks, of the Conference of Rectors of Academic Schools in Poland (CRASP) |
| since 2019 | Member, EUA Board for the term 2019-2023, championing areas of innovation and co-championing areas of open science and research assessment |
| 2016-2020 | Member, CRASP Committee on Strategic Problems of Higher Education in Poland |
| 2014-2020 | Chair, CRASP Organisation and Legislation Committee |
| 2012-2016 | Vice-President of the Conference of Rectors of Polish Universities |

Membership of scientific associations:

- International Society of Electrochemistry
